

## Argument in Favor of Measure K

You've heard the shots and the sirens...are you afraid to go out, day or night?

**Vote Yes on K** – a **Penny for Peace** to take OUR city back from gangs, drugs, drive-by shootings and violent crime.

**Yes on K hires more police officers and implements a new, neighborhood-oriented policing vision for Salinas** – by expanding on community policing and more effectively bringing neighbors, businesses and youth together over the long-term to fight gangs and violent crime. We CAN have the peace our families deserve!

Salinas businesses will never see an economic recovery unless residents, shoppers and visitors feel safe!

**Yes on K** expands anti-gang and youth violence prevention programs

**Yes on K** increases job training so youth turn to jobs and away from crime

**Yes on K** helps Police identify and close drug and gang houses

**Yes on K** reduces 9-1-1 response times for police and fire

**Yes on K** increases police patrols near our schools and in our neighborhoods

**Yes on K** strengthens our economy and helps local property values

Don't let 3,500 gang members and associates ruin our City! We've already had 38 gang-related homicides since January 2008.

**Every cent from Measure K is legally required to stay in Salinas** – not one penny can be taken by those Sacramento politicians who can't solve their own budget mess.

**Yes on K requires tough fiscal accountability provisions** such as independent audits, public expenditure reports, and an independent Citizens' Oversight Committee to monitor spending and ensure this money isn't used to simply backfill the City general fund.

Join your neighbors, police officers, firefighters, teachers, and business owners who agree: A penny is a small price to pay for a safer Salinas. Visit [www.APennyforPeace.com](http://www.APennyforPeace.com) for more information.
